LEAVING A LIVING LEGACY OF LOVE AND LIFE

None of us lives forever but we can influence life far into the future by the way we designate our resources and estates. Regardless of how much we accumulate over the years, we can make a difference by making certain our written wills specify how we want our money and properties shared with family, friends, and charities we cherish. Thank you for including the Center for Health and Hope.

FREQUENTLY ASKED QUESTIONS AND ANSWERS

1. What is the Center's federal number ?

501(c)3 charity: Fed. Tax. ID #20-41999173

2. What is the Center's website & address?

centerforhealthandhope.org

7185 S. Niagara Circle, Centennial, CO 80112

3. Who does a donor or attorney contact?

Executive Director, Dr. Donald E. Messer

303-877-1955

globalaids@gmail.com

3. How can I impact the future?

Your generous gifts to the work of the Center can continue by including in your will a designated or undesignated bequest. You could request funds be expended in service of the current needs and programs of the Center. Or you could create a permanent general or program-specific endowment. If you choose an endowment, only earnings from the principal will be spent on the programs. The Center endowment funds currently are held & supervised by the Community First Foundation, Arvada, Colorado.

4. What about tax savings?

Besides doing last good, legacy gifts save taxes. Plan with family and check with your attorney or accountant.
